

Stavros Kokkinidis

Supply Chain Business Partner

Profile

Highly skilled Supply Chain professional, with great experience in various fields.

Almost 23 years in Sanofi Aventis Greece, I have gained a deep knowledge and experience through the departments and projects I worked in.

These include, but not limited to:

- Strategic inventory management, warehouse and distribution management, strategic partnership
- ensuring daily operations are managed efficiently and cost effectively, and planning the strategic use of materials and human resources
- Work alongside other executives and managers in the development and implementation of corporate goals and effective business change initiatives
- S&OP implementation and execution
